WHEREAS, following the May 18, 2016, settlement discussions at the U.S. District Court before Howard Herman, Director of the Court's ADR Program, Plaintiffs and Defendants California Department of Transportation and Malcolm Dougherty ("Caltrans") have exchanged proposed settlement agreements, as previously agreed to by the parties and as reflected in their previous stipulation submitted to this Court (ECF 50);

WHEREAS, Plaintiffs and Caltrans agree that the settlement discussions have been productive to date and that further settlement discussions would be worthwhile, and have agreed to such discussions continuing, and possible subsequent settlement meetings as warranted;

1 WHEREAS, to help facilitate these additional settlement discussions, Plaintiffs and Caltrans  
2 agree that an additional short extension of the date for lodging the administrative records in this

4 WHEREAS, the requested extension of time for the record will not necessitate any other  
5 changes to the current case schedule, which next presents a case management conference on July 8,  
6 2016;

7 NOW THEREFORE, by and through their undersigned counsel, the parties do hereby  
8 stipulate as follows:

- 9 1. The date for lodging the administrative records in this action, currently set for June 27,

11 further shall be filed by June 24, 2016.
- 12 2. The date for motions regarding disputes over the contents of the administrative records,  
13 currently set for July 11 (ECF 51), shall be extended to July 25, 2016.
